Headlines on Natural Forest Reserve

Headlines on Natural Forest Reserve
The Natural Forest Reserve, established in 1993, covers an area of 1,500 hectares in the mountains of the French Alps. It is a unique natural heritage site, home to a rich biodiversity of plants and animals. The reserve is managed by the French National Institute for Research and Development in Forestry and Wood (INRAE) and the French National Institute for Research and Development in Mountain (INRAE). The reserve is a source of pride for the local population and a major attraction for tourists. The reserve is a source of pride for the local population and a major attraction for tourists.
